

REMARKS

In the Final Office Action mailed August 6, 2009, claim 54 was allowed. By the foregoing proposed amendments under Rule 116, Applicants are proposing to cancel claims 1-53, and Applicants are proposing to add 53 dependent claims from allowed claim 54. Therefore, Applicants firmly believe that the new dependent claims 55-107, which all dependent from allowed claim 54, should be allowable, and the Examiner should be able to enter the Rule 116 Amendment as placing all claims 54-107 in condition for allowance.

Applicants also believe that since they cancelled 53 claims and have added only 53 dependent claims, no additional claim fees are deemed to be due.

Respectfully submitted,
